Alaska Family Child Care Association promotes and develops quality professional home-based childcare.

Dear Parent or Guardian:

Your childcare provider offers healthy meals and snacks to children as part of the Child and Adult Care Food Program (CACFP). CACFP gives more support to your provider if your household income is equal to or less than the limits on this chart:

Federal Income Standards for
Reduced-Price Meals for July 1, 2025 - June 30, 2026

Household Size	Household Yearly Income	Household Monthly Income
2	48,896	4,075
3	61,624	5,136
4	74,352	6,196
5	87,080	7,257
6	99,808	8,318

If you meet the income eligibility guidelines, have a foster child, or are participating in a qualifying program, please take a few moments to complete the Confidential Income Statement (CIS).

Your information will be placed in our files and kept confidential. Please note that your children will participate in the CACFP whether or not the form is returned.

When you have completed the CIS, you have **two** options:

1. Mail the CIS directly to our agency using the address above or e-mail foodprogram@akfamilycca.org
2. Return the CIS to your provider **sealed** in an envelope.

Thank you for taking the time to fill out the form. We hope your child enjoys CACFP meals!

In the operation of child nutrition programs, no person will be discriminated against because of race, color, national origin, sex, (including gender identity and sexual orientation), disability, age, or reprisal or retaliation for prior civil rights activity. If you have questions or need help, please contact us.
